187

An aerial photograph of a large industrial building with a complex roof structure, featuring multiple gables and sections. The entire image is overlaid with a semi-transparent red filter. In the background, there are other smaller buildings and trees. The text is overlaid on the upper left portion of the building's roof.

Wall panel: PolTherma DS
Profiling: Cassette-micro - K500

WŁOCŁAWEK

The image shows a close-up of a building's exterior wall. The wall is composed of horizontal panels, with a red section on the left and a white section on the right. The word "ESEN" is mounted on the white section in large, 3D block letters. The letter "E" is red, while the letters "S", "E", and "N" are dark grey. The letters are slightly raised from the wall, creating a shadow.
